

## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of: Claude P. Selitrennikoff et al.

Serial No.:

09/866,209

Group No.: 1651

Filed:

05/25/01

Examiner: Gitomer, R.J.

Entitled:

Methods For The Identification of Antimicrobial Compounds

# INFORMATION DISCLOSURE STATEMENT

Mail Stop RCE

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

#### CERTIFICATE OF MAILING UNDER 37 C.F.R. § 1.8(a)(1)(i)(A)

I hereby certify that this correspondence (along with any referred to as being attached or enclosed) is, on the date shown below, being deposited with the U.S. Postal Service with sufficient postage as first class mail in an envelope addressed to: Mail Stop RCE, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Dated: October 24, 2003

By:

Cliff Cannon-Cin

### Dear Sir:

The citations listed below, copies attached, may be material to the examination of the above-identified application, and are therefore submitted in compliance with the duty of disclosure defined in 37 C.F.R. §§ 1.56 and 1.97. The Examiner is requested to make these citations of official record in this application.

The following printed publications are referred to in the body of the specification:

- Anaissie, "Opportunistic mycoses in the immunocompromised host: experience at a cancer center and review," *Clin. Infect. Dis.*, 14(Suppl 1):S43-S53 [1992];
